about us

The Long Plains Netball Club (LPNC) is located in the small country town of Long Plains, an hour north of Adelaide. The club was established in 1939 and we have a rich history of junior and senior success on the netball court.

As well as our on-court success, we are very proud of our off-court achievements such as our club facilities, club culture, as well as being involved in our local community.

OUR CLUB VALUES

At the Long Plains Netball Club, we will:

- Show respect and inclusion for all abilities.
- Encourage skills development to maximise the potential of all players, coaches and umpires from junior levels upwards.
- Maintain a family friendly atmosphere and develop community spirit through a sense of belonging.
- Operate in close association with the United Football Club.
- Provide a social outlet and encourage enduring friendships.

- Recognising achievements and value the input of our players and volunteers.
- Promote fair play, good sporting values, mutual respect and a sense of fun.
- Provide a supportive environment for anyone wishing to be involved with our club, including players, umpires, coaches, volunteers, parents, relatives, members, sponsors and supporters.
- Promote healthy lifestyle through sport.

our mission statement

To play a leading role in the community by promoting healthy and social interaction through the sport of netball.

We target a sustainable future by striving for sporting success and sound financial management.

WELCOME TO SEASON 2025

Long Plains Netball Club extends a warm invitation to you to be a Sponsor of our Club for the Winter 2025 Season.

As the season kicks off, we're preparing for another successful season.

Thank you to all the businesses and families who have kindly and generously sponsored and supported us in previous years. Without your generosity our club would not run.

This season we again, have an influx of junior players which is positive for a small community like Long Plains. Junior netball is something which we are dedicated and proud of, and in 2024 we reaped the rewards of that. The under 13A's narrowly being defeated by two points in the Preliminary final, and we were proud that Long Plains had the highest representation of junior netballers at the Association Country Champs weekend. Our Cubs program returned with Saturday "scratch matches' to give our budding young netballers a taste of the real thing. There is plenty of optimism for the future of our club! In seniors, there has been a high turnout at the preseason sessions thus far and with the return of gun netballer Nicole Sobey as head A1 coach and there are encouraging signs for a successful 2025 season all round.

This year, we're also looking forward to some exciting improvements around the club! We hope to get the additional shelters and pathways underway. And the wish list doesn't stop there-we'd love to add new toilets and a changing area in the future. There's always something to do and work towards!

If you'd like to get involved, we'd love your help. Whether it's volunteering your time, helping us fundraiser or sharing your skills, every bit makes a difference.

The Long Plains Netball Club appreciates all the support of our club - whether that be financial or with goods or services, and we greatly appreciate 2025 in your thoughts.

Kind regards

Tarvn Hall

Sponsorship Coordinator

supporting local footy at long plains

Long Plains Netball Club is proud to run side-by-side with the United Football Club.

With both Clubs working hard to develop our facilities and player development, if you would to find out more information about sponsoring the Football Club, please email sponsorship@unitedfootballclub.com.au.
